

# open house 2019

■ **STAMA** May 7th - 9th

■ **CHIRON** May 8th - 10th

Join the CHIRON America team  
for both of these world-class events

## Performance meets precision

Attend the CHIRON and STAMA Open Houses in Germany this spring, and discover our passion for advanced manufacturing. As a special guest of CHIRON America, receive unprecedented access to the products, technologies and people that drive our global operation - while enjoying the utmost hospitality throughout your visit.

### The CHIRON 16 Series

Redefining standards for dynamics & precision. Be among the first to see all-new variants in action, with applications that showcase the astonishing stability of this machine series.

### The STAMA MT 733

A groundbreaking milestone in the world of complete machining. Learn how STAMA's innovative milling-turning capabilities can transform your manufacturing processes.

### Open House Highlights

- Top technologies & machines from CHIRON, STAMA and SCHERER
- Impressive live machining demos throughout
- Insightful conferences and lectures
- Machining and digitalization workshops
- A partner exhibition hall featuring leading companies in work-holding, tooling, & more.
- An exclusive preview of the revolutionary innovations we've yet to unveil

Don't miss out on this unique opportunity.

Contact your CHIRON America Account Manager to confirm your attendance.
